before you headed home for the weekend. It gives you a little information on the fiscal impact and some of the background and reasons for the actions we took. You'll have a better information packet next week to go through before the bills are brought to the floor, but I thought you might want to have this before you headed out for the weekend. Thank you.

SPEAKER BAACK: Thank you, Senator Wesely. Items for the record, Mr. Clerk.

CLERK: Mr. President, your Committee on Enrollment and Review reports LB 471 as correctly engrossed. That is signed by Senator Hohenstein. Judiciary Committee reports LB 665 to General File, LB 832 to General File with amendments, those signed by Senator Lindsay. I have amendments to be printed, Senator Withem to LB 348, Senator Withem to LB 264, Senator Withem to LB 563 and to LB 239 and Senator Withem to LB 94, Senator Cudaback and Will to LB 193, Senator Hall to LB 757. (See pages 1456-72 of the Legislative Journal.) And I have a hearing notice signed by Senator Abboud as Chair of Business and Labor for the claims bills introduced earlier today. And finally, Senator Landis would like to add his name as cointroducer to LB 652. (See page 1472 of the Legislative Journal.) That's all that I have, Mr. President.

SPEAKER BAACK: I would like to tell my colleagues I think we've done a lot of work up to this point. We still have about 35 days or so to go in the session but we've done a lot of good work up to this point. We did very well today on consent calendar. I think this moved all of the bills that had no committee amendments and no dissenting votes. So we did very well on that part of it. And I hope you all have a very good Easter weekend and, Senator Vrtiska, would you like to adjourn us until Tuesday morning at 9:00 a.m.

SENATOR VRTISKA: Thank you, Mr. Chairman, members of the body, I move we adjourn until Tuesday at 9:00 a.m.

SPEAKER BAACK: You've heard the motion to adjourn. All those in favor say aye. Opposed no. We are adjourned.
